

Série POOL nabízí komplexní řešení pro venkovní i vnitřní bazény, promyšlenou funkční skladbu výrobků včetně tvarově náročných doplňků nejen pro bazény, ale i pro technické zázemí a přilehlé prostory. Jak formátově, tak barevně nabídka navazuje na základní řadu výrobků ColorTWO. Protiskluzné povrchy splňují normou a předpisy definované vlastnosti.

„Bazénový sortiment s důrazem na detail.“

The POOL series offers a comprehensive solution for outdoor and indoor swimming pools, a sophisticated functional product mix including shape-intensive supplies not only for swimming pools but for technical facilities and their adjacent areas as well. The assortment follows the basic ColorTWO product range. The anti-slip surfaces meet the properties defined by standards and regulations.

„Pool collection focused on the detail.“
