

Série BLOCK je dokonalá kombinace nadčasového provedení granitu a nekompromisní kvality. Bohatá formátová škála slinutých neglazovaných dlaždic, povrchová rozmanitost, protiskluzné vlastnosti (R10/B) předurčují sérii BLOCK k neomezenému použití v interiéru i exteriéru veřejných i privátních objektů.

„V duchu moderní architektury.“

The Block series is the perfect combination of timeless granite design and uncompromising quality. The wide format range of sintered unglazed tiles, surface variety, and anti-slip properties (R10/B) make the Block series suitable for the unlimited use in the interior and exterior of both public and private buildings.

„In the style of modern architecture.“
